

BLOXHUB - MATCH!

MATCH! for whom?

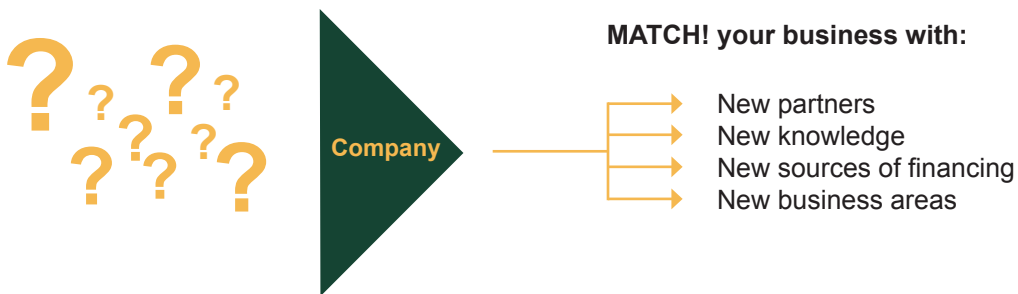

MATCH! presents a unique offer for companies within the industries of construction, architecture, design and digitalization, to be part of a developing community across businesses, professions and industries.

MATCH! is tailored to companies that have ambitions to scale up solutions to the Danish and international markets.

Matching companies with new skills and resources MATCH! helps realize untapped potentials for the benefit of both the individual company and society as a whole.

MATCH! with what?

MATCH! connects companies with knowledge, networks and resources that supports the creation of innovative solutions, new partnerships and new business.

MATCH! services

All services offered by MATCH! is customized to the individual company. We meet the individual company where it is, ensuring that counselling is immediately relevant every time.

- ▶ **Visit our website:** Get an overview of funding opportunities and guidance for funding applications – www.bloxhub.org
- ▶ **Phone or email:** Get initial clarification and advice on how we can help you and your business
- ▶ **Request a meeting:** Visit our office in BLOXHUB and receive personalized advice on matching opportunities for your business
- ▶ **Take part:** We organise free professional relevant events where you can enhance your knowledge and network

MATCH! counselling includes one or more of the following activities:

Web

Entry point to knowledge and services that can help your company scale up and internationalise. Including a database that gives an overview of both private and public funding opportunities. Part of this service will be in Danish only.

Help desk

Get an introduction to MATCH! and clarification on questions concerning on-going projects and/or potentials to further develop your business.

1:1 meeting

We identify your business' needs and point out a possible way forward, tapping in to our extensive overview of funding opportunities and potential partnerships, including identification of your business' organizational pre-conditions for further development.

Open talks and debates

Join BLOXHUBs open dissemination activities and events that provide relevant professional inspiration and network.

Invited networks

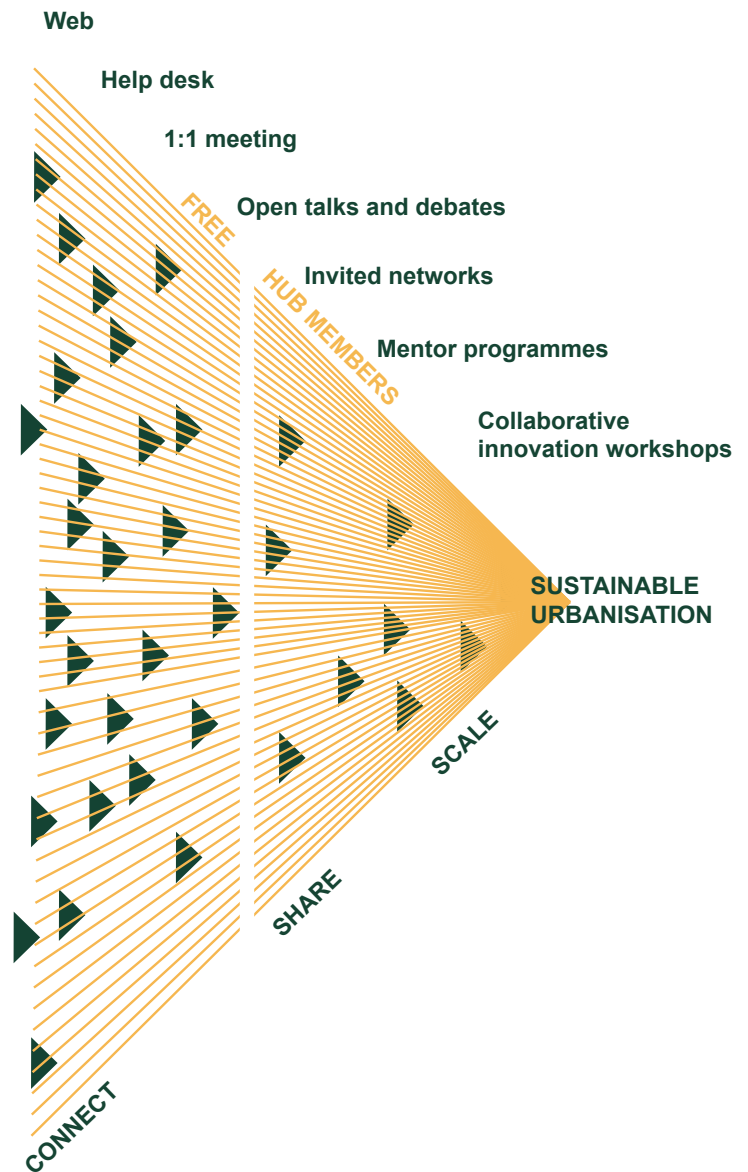

Participate in member-based events and networking sessions focused on the up-scaling and internationalisation of businesses and products.

Mentor programmes

MATCH! connects businesses with specialists from BLOXHUB network that can help you fulfil your business potential.

Collaborative innovation workshops

MATCH! facilitates fast track ideation and conceptualisation for parties sharing a joint interest in developing and maturing a new business idea.
